For over 16 years at Zolo Southwestern Grill, we have thrown a party each and every day.

We line up the music we know our friends will love, polish the silverware, check the temperature and the lighting and then create the most delicious food and have crisp cold cocktails ready for immediate consumption when our guests arrive. Let us bring that award winning food and superior service to your next holiday party, open house, business meeting, picnic or wedding reception.

In the kitchen Chef Brett Smith skillfully defines modern southwestern cuisine while bringing the best local, seasonal and organic ingredients to the table.

Let Zolo Southwestern Grill create the perfect event with a variety of menu options to fit any budget for 2 to 200 guests. Our event coordinator Carly Otte will help you create an event your guests will rave about.

Please contact Carly [email carly@zologrill.com or call 720.277.ZOLO(9656)] for more details, questions and to book your next event.
